KYI SIN THANT

kyisinthant.kst97@gmail.com

SENIOR FRONT END DEVELOPER

TECHNICAL SKILLS

- Vue.js
- React.js
- Next.js
- Nuxt.js
- Azure
- Three.js

SELECTED PROJECTS

City Nexus CDL   **2023**

- Developed reusable, modular components for dynamic pages, ensuring a consistent UI/UX across the platform.
- Optimized application performance using lazy loading and code splitting in Nuxt.js to ensure fast load times, especially for users with slower internet connections or on mobile devices.

Optimitics   **2019**

- Developed intuitive, responsive, and user-friendly interfaces using React.js, Vue.js and Vuetify, ensuring the application was easy to use for HR personnel across various devices.
- Developed robust ASP.Net backend services to manage key HR data, including employee records, payroll, and working hours tracking, ensuring secure and reliable data handling.

EDUCATION

University of Computer Studies Taunggyi - B.C.Sc.   2014 - 2019
- Studied Computer Science
- Internship at Acroquest Technology

WORK EXPERIENCE

Senior Front-end Developer | Codigo - The Mobile App Company   **2023 - 2025**
- Led the migration of a large-scale web, ensuring smooth functionality and minimal disruption to the user experience during the transition
- Enhanced user experience by optimizing web applications for maximum speed and scalability.

Senior Full-stack Developer | Thetys Co.,Ltd.   **2019 - 2023**
- Implemented responsive designs and optimized user experience across devices using modern front-end technologies
- Developed RESTful APIs and web services, ensuring efficient data handling and seamless communication with the front-end
- Developed responsive web designs, ensuring compatibility across various devices and browsers.

AWARDS & ACHIEVEMENTS

- Project Lead Assistant, Thetys (2022)
- Project Leader, Thetys (2023)
